

Advanced Management of Sleep Disorders for Nurse Practitioners & Physician Assistants

November 7-8, 2015 - Atlanta, GA

\$625

This continuing education course is developed specifically for advanced practice nurses and physician assistants with 3-6 months of experience working in sleep medicine or upon completion of the Atlanta School's Sleep Medicine for Nurse Practitioners & Physician Assistants introductory course. New course curriculum includes challenging cases designed to help attendees better understand the latest diagnostic tools, therapies and treatment options available for patients with a sleep disorder. Our faculty of board-certified sleep specialists and experience sleep professionals will share their expert knowledge and real-world experience during the weekend course.

Course topics include:

- Current Issues in Treating Insomnia
- Management of Circadian Rhythm Disorders
- Strategies for Managing Side Effects for RLS Treatment
- Methods to Improve Patient Compliance & Home Sleep Testing
- Complex Breathing Disorders in Sleep
- Evaluation of Hypersomnia
- Challenging Cases in Pediatrics
- Roundtable Discussion: Evaluating and Managing Sleep Patients

Course Location:

Renaissance Atlanta Midtown Hotel
866 W. Peachtree Street, NW
Atlanta, Georgia 30308

Attendees should have 6 months of experience working in sleep medicine or completion of the Atlanta School's introductory course Sleep Medicine for Nurse Practitioners and Physician Assistants.

Continuing Education

This program is approved for 12.5 contact hour(s) of continuing education by the American Association of Nurse Practitioners. Program ID 1510449. This program was planned in accordance with AANP CE Standards and Policies.

This program has been reviewed and is approved for a maximum of 12.50 hours of AAPA Category 1 CME credit by the Physician Assistant Review Panel. Physician assistants should claim only those hours actually spent participating in the CME activity.

This program was planned in accordance with AAPA's CME Standards for Live Programs and for Commercial Support of Live Programs

Sleep Medicine for Nurse Practitioners & Physician Assistants

\$625

This course is especially designed to meet the needs of nurse practitioners and physician assistants by teaching them how to integrate their skills into a sleep medicine practice. The curriculum also showcases ways the advanced practice nurse or physician assistant can play a pivotal role in many specialties by learning more about sleep.

Course Curriculum:

- The Role of the Nurse Practitioner & Physician Assistant in Sleep Medicine
- Live Patient Case Studies
- Sleep 101: Laying the Groundwork for Understanding Sleep Pathology
- Basics of the Sleep Laboratory & Polysomnography
- Sleep Lab Visit
- The Spectrum of Insomnia & Circadian Rhythm Disorders
- Parasomnias: Evaluation, Diagnosis & Treatment
- Clinical Approach to a Patient with a Sleep Complaint & Interpreting the Diagnostic Report
- The Sleep Apnea Syndrome
- Treatment of Sleep Apnea Syndromes
- Neurological Disorders and Sleep
- Restless Legs Syndrome and Limb Movements in Sleep

Credits: This program is not yet approved for CME credit. Conference organizers plan to request 12 hours of AAPA Category I CME credit from the Physician Assistant Review Panel. Total number of approved credits yet to be determined. This program is pending approval by the American Association of Nurse Practitioners.
